Your timeline must have -

- a start date of April 1920 and end date of April 2020
- the key events below clearly displayed with the date, title of event and possibly a picture/illustration
- <u>at least</u> six other key events that you have researched
- Captain Moore's amazing achievement as the final event of your timeline.

## Each clue is a historical event – solve it and plot it on your timeline!

- One giant leap for mankind was big news around the world on this day
- In July 1937 she disappeared and was never seen again...
- A Scottish inventor showed the world the first mechanical television in this year don't forget to include his name on the timeline!
- King Georg VI died in 1952 but when did the new monarch's coronation take place?
- Britain's first female Prime Minister was elected in this year who was she?
- Everyone loves a royal wedding...the Duke and Duchess of Cambridge got married in this year.

Have fun with this task – take as long as you need to complete it. This might be a something you work on over several days.
