

Activities for you to try this week:

🗨️ Spelling

<https://www.spellingcity.com/users/JollyGrammar5>

- Use the link above to access our weekly spelling words.
- Miss Mitchell's class are on week 23 (- ise and -ize suffix).
- Mr McGregor's class are on week 27 (-tious suffix).
- Active spelling grids
- Complete 'spelling teach me game'.

☒ Reading

- Continue to read a novel of your choice ☐
- Harry Potter comprehension ☐ I have attached a section from 'Harry Potter and the Philosopher's Stone' with some questions. You will find 3 sets of questions - choose your own chilli challenge spice! Mild, Hot or Extra Hot.

☒ Writing

- Powerful picture ☐ I have attached a document with a very powerful picture comparing NHS workers to superhero's. I recommend you choose at least 4 activities to complete in the document.

☒ Maths

- Weekly Sumdog challenge.
- Academic Skill Builders website.
- Using the link below go on to Corbettmaths Primary website and complete the money, pie charts and line graphs videos and questions.

corbettmathsprimary.com/content/

- Money word problems sheet (choose mild, hot or extra hot questions).
- Create a pie chart of how you spend your time each week, try to use Microsoft Excel for this. Make it as detailed as possible.

☒ Weekly Photo Challenge

- Water, water, everywhere ☐ Your challenge this week is to photograph water in some way- it could be liquid form or frozen in the form of ice. Pick flowing water or still water. Capture it frozen in time or with motion. The choice is yours.

☒ Science

The journey to Mars.

- Research the journey to Mars
- How far is it?
- How long would it take to get there?
- How much would it cost
- How would the people survive?
- How would they get back?
- What are the differences between Mars and the Earth?
- Would people volunteer?
- What sort of training would they need?
- How would they pass their time on such a long journey?
- How would they communicate with Earth?
- If you were an adult would you volunteer to go? Why/why not?

☒ Social Studies

- Victory in Europe Day (VE day) is this coming Friday! Where we celebrate the end of WW2, when fighting against Nazi Germany in Europe ended. On 8th May 1945, Prime Minister Winston Churchill made an announcement on the radio at 3pm that the war in Europe had come to an end. I have attached a link below explaining more about VE Day and how it was celebrated in 1945.
- I have also attached a document with some ways you can celebrate VE Day at home this Friday.

<https://www.bbc.co.uk/newsround/48201749>

Coding

- This week why not try module 2 - catch the dots.

PE

- 9am PE with Joe Wicks on YouTube.

Cooking

- Why not make some rhubarb crumble with Mrs McGonagle, I've attached the link below.

P6 Activity booklet

- I have attached an activity booklet for you to work through with some fun tasks and problems.

Weekly Task

- Begin/ Continue with a personal project.
- Research a topic that interests you and present your findings following the structure below.
- Title page
- Contents
- Introduction (Why did you choose this topic? Why is it important to you?)
- History (Where, when, how did it all start?)
- Main body (Split by sub headings – all the information about the person, place, sport, event, book, movie etc.)
- Impact (How has this impacted on the world and on you as a person>)

- Conclusion (What have you learned from writing this project)?
