

Activities for you to try this week:

⇒ Spelling

- <https://spellingcity.com/users/JollyGrammar5>
- Use the link above to access our weekly spelling words.
- Miss Mitchell's class on week 24 (- ify suffix).
- Mr McGregor's class week 29
- Active spelling grids
- Complete 'spelling teach me game' on website using above link.

⇒ Reading

- Continue to read a novel of your choice.
- Banksy reading comprehension (sheet will be attached).

⇒ Writing

- Continue personal enquiry project
- Head over to Pobble 365 and complete the questions, sentence challenge, perfect picture and story starter.
- <https://www.pobble365.com>

⇒ Maths

- Sumdog National Challenge (more information will be posted on Class Dojo).
- This week we are learning about Units. Watch the following videos:
- Capacity: <https://corbettmathsprimary.com/2018/07/31/units-capacity-video/>
- Length: <https://corbettmathsprimary.com/2018/07/31/units-length-video/>
- Mass: <https://corbettmathsprimary.com/2018/07/31/units-length-video/>

Complete the workbook to show your understanding: <https://corbettmathsprimary.com/wp-content/uploads/2018/07/metric-units-pdf.pdf>

To support reading measurements we will complete this game:

<https://mathsframe.co.uk/en/resources/resource/266/Compare-Numbers-on-a-Number-Line>

Here we can make the game more challenging by hiding the divisions and by choosing larger scales. Pupils should take a photo of their results and send it by email or post it on Class Dojo.

📷 Weekly Photo Challenge

- By looking at shadows the same way you look at light, you can create textured backgrounds or unique patterns in your photos. This weeks challenge is to use light (natural or artificial) to create an interesting and unique shadow. Snap it and send it to us on Class Dojo.

🎨 Art

- Andy Warhol: explore the artistic works of Andy Warhol and use his Pop Art style to create your own masterpiece. Take a photo of your art work and post on Dojo.

🎵 Music

- See Frozen music sheet.
- Listen to the song carefully, reading the lyrics as you do (use QR code for song).
- Read the lyrics on the sheet and answer the following questions. Remember to write in full sentences giving evidence to support your answer.

📖 RME

Hinduism

Watch - <https://www.youtube.com/watch?v=xIBEEuYIWwY>

Create a PowerPoint showing what you have identified to be the key information (this must include the 7 Core Beliefs and the Caste System).

Linked ICT challenge - Can you add a video clip and a GIF to your presentation and animate each slide transition?

⇒ Coding

- This week why not try module 2 - clone wars.

⇒ PE

- 9am PE with Joe Wicks on YouTube.
- Design a circuit training programme with 6 stations where you will spend 1 minute at each station. Try to work on all muscles groups in your body. Post a plan of your circuit on your portfolio.

⇒ STEM

See attached STEM resource.

What can you create with a toilet paper roll?

Cut it, bend it, colour it, paint it, shape it, flatten it, squish it.

- Step 1 - Create a design. Draw your idea down on a piece of paper, using coloured pencils and labelling the design to show the different functions of your creation.
- Step 2 - Write a resource list of all the things you need to create your design e.g. scissors, pens, ruler. (You can only use ONE toilet paper roll).
- Step 3 - CREATE
- Step 4 - Take a picture of your creation and post it on Class Dojo.

⇒ Cooking

- Why not make some rhubarb crumble with Mrs McGonagle, I've attached the link below.

https://m.youtube.com/watch?feature=youtu.be&v=LWegK_VCc0M

📅 Weekly Task

Greek Mythology

- Create a fact file showing at least 10 of the most famous characters in Greek mythology. Each character should have a picture along with a paragraph explaining who they are and what is special about them. You can word process this and add picture from the internet or write it by hand and draw each picture.
- Then focus on your favourite character and write a short article on why they are so interesting.
