

Good Morning everybody!

We hope you had a lovely weekend and are ready for another week of home schooling. This week we recommend completing the following tasks. As always try to complete each task to the highest possible standard and do your best to share your work with ourselves on Dojo or by email.

Home Learning Week 9:

Reading - J.K Rowling is releasing a new book (The Ickabog) for free! She is releasing new chapters each day over the next seven weeks. We would like you to read at least one chapter every day. You can find The Ickabog here: <https://www.theickabog.com/>

Comprehension - This week's comprehension is based on The Golden Compass. Read the passage carefully and answer the questions in full sentences (See comprehension document)

Literacy - The weekly writing task is to write about your experience of Lockdown so far (see document)

Spelling - This term we will be practising common words. Look for your spelling words on Teams, Email or Dojo and practise the words in your list. If possible try to do a spelling test on Thursday. As an optional challenge this week why not try to create silly sentences for 5 of your words! (see Spelling and Spelling Challenge document)

Art - As part of JK Rowling's new book Ickabog, there is a competition to illustrate each chapter. For Art this week we suggest illustrating a character from the book. For more information on the competition follow the link below:

<https://www.theickabog.com/competition/>

Numeracy - This week we are focusing on revising our work on money. We suggest the following tasks this week. For a quick refresh on money watch the following video:

<https://corbettmathsprimary.com/2018/07/24/money-video/>

Written work: Money Booklet, Mixed Money Questions, Money Saving Word Problems (see documents)

Online Game: <https://www.topmarks.co.uk/money/toy-shop-money>

Click on the following:

- 'Mixed Coins'

-Give Change, £1 - £10

Try to also play Sumdog 3 times a week for 20 minutes.

Optional Maths Challenges: How much did it cost? Puzzling Sweet Shop and Travel Agency (see documents)

Project Based Learning - For this term we have been focusing on small projects instead of topic work with the aim of keeping everybody engaged and focused through open ended tasks.

For this week's project we would like to plan to adopt a pet! Using the sheets provided you will be lead through the project and encouraged to calculate the cost of owning a pet. We can't wait to see which pet you decide to adopt! (see Adopt a Pet Project)

PE - complete two sessions of PE in the week:

Joe Wicks will be completing live PE lessons every morning at 9am

<https://www.thebodycoach.com/blog/pe-with-joe-1254.html>

Alternatively you could complete Fitness Bingo (see PE Bingo Challenge)

Music - We have been very lucky to have music lessons shared with us by a teacher from another school. Mr. Craighead is completing a whole Music topic on Africa as part of the Primary 5 lessons. For the first lesson you will need to locate Africa and make your own top ten of African music.

<https://mrcraigheadmusic184794772.wordpress.com/2020/04/24/p5-music-lesson-1/>

Science: Thank you to Struan (Room 14) for this great suggestion for an activity. Dyson have been producing STEM Activity cards and Struan has suggested we have a go at the Tornado in a Bottle experiment which looks like lots of fun! (see Tornado in a Bottle document)

Cooking - Mrs.McGonagle is continuing to post videos on her Youtube channel. This week's is millionaire shortbread which looks delicious, cook along if you wish!

<https://youtu.be/LrnJ1p8sbww>

Jamie Oliver has also been posting cook along videos with his son Buddy. Another cooking activity which would be a great life skill is making scrambled eggs. Follow the link to have a go and maybe make a quick yummy breakfast or lunch!

<https://www.youtube.com/watch?v=sJIVY6DvU4>

Try to complete an act of kindness each day!

****All document are available on Teams, Dojo and have been emailed to each child****

When sharing work please try to use Dojo Portfolios to upload any tasks as this helps us keep a record of your amazing work!
