

# u P d a t e

3

## Maths and Numeracy

During this term we will be focusing on vertical addition. The children will be learning how to add numbers based on place value using tens and ones columns. They will be learning how to carry a digit from one column to another. Primary 3 will also be learning the four times table.

## Homework

The class have homework each night Monday-Thursday. Please check your child's homework diary each day. There are some very helpful hints at the beginning of the homework diary.

## HWB

This term Primary 3 will have P.E on Tuesdays and Thursdays, the focus will be ball skills. On these days it is helpful if the children wear a polo shirt and avoid wearing any jewellery. Please double check that everything belonging to your child has his/her name on it.

The focus for reading will be to develop comprehension skills. Children will be encouraged to answer questions which will encourage them to gain a deeper understanding of the text. You can help at home by using the reading grid which is in your child's homework wallet. We will also be doing dictionary work where the children will look up the definitions of their spelling words.

## Social Studies

Term 1  
Harvest/Caring for Pets  
Term 2  
Vikings  
Term 3  
Scotland

## Science

Primary 3 have been learning about the human body. The learning will focus on the skeleton, major organs and digestive system. The children will also be carrying out experiments, which they are excited about!
