Winter and Wet Weather Clothing: Children in Bearsden Primary School are encouraged to play outside at break times and lunch times when-ever possible. This includes times when there is light rain or drizzle. To cater for our changeable climate, it would be helpful if children came to school appropriately dressed for the weather. Please ensure that your child is suitably dressed including a warm, water-proof coat, preferably with a hood. If the weather is very wet, children will remain indoors. During wet weather, children are allowed to come into the school from 8.45am. Normally 5 bells will ring to signify wet weather.

Scottish Afternoon: We had a wonderful time at our Scottish Afternoon. Thank you to parents for helping the children learn their words. Standards were extremely high on the day.

Sports News:

Garscube Harriers – Sunday 16th February P5-7. Closing date for entries is 7th February. Please let Mrs Mathieson know if your child would like to take part. Entry fee is £3.

World Book Day:

We will be celebrating World Book Day on **5th March**. Details of planned activities will be issued later. World Book Day tokens will be given to each child during February.

Head Lice: Bearsden Primary, in line with advice given from NHS Scotland, no longer sends out letters to alert parents that a child in the school has head lice. However we have a number of infestations of head lice throughout the school at the moment. I have had a few parents voicing concern that after treating their children they have once again contracted head lice a few days later. Please check your child's hair regularly and with your assistance this problem can be addressed.
